

VOLUNTEER GUARDIANS AD LITEM CHANGE LIVES

"Being in foster care is living in a constant state of flux. Homes, schools, families...everything is always changing, often suddenly and without warning. The only constant was my CASA volunteer. Without her I would have been lost in the system." **MELISSA, FORMER FOSTER YOUTH**

THE PROBLEM: OVERWHELMED SYSTEMS

will find themselves in U.S. foster care & family court systems this year.

The average child will spend nearly 2 years (20 months) in foster care

On average each one of those children will change homes three times

There are over 2,600 children in the dependency court system in Broward County alone.

THE SOLUTION: CITIZEN VOLUNTEERS

Volunteer guardians ad litem, trained volunteers who help abused and neglected children find safe, permanent homes.

A WISE INVESTMENT
One year of volunteer advocacy costs less than one month of foster care.

1 staff member

supports 28 volunteers

serving 69 children

THE RESULTS: BRIGHTER FUTURES

GAL PROGRAMS CHANGE LIVES
A child with a GAL volunteer is more likely to find a safe, permanent home.

A child with a volunteer advocate is half as likely to re-enter the foster-care system

And, they are more likely to succeed in school and less likely to spend three or more years in care.
