

Major Gifts

With an annual, cumulative contribution of \$5,000 or more, major donors provide vital support to Voices for Children of Broward County as they work to ensure that every child victim of abuse, neglect, and abandonment in Broward County has a court-appointed Guardian ad Litem (GAL) and that services are available for each child's accompanying health, educational, and social needs.

Major donors have special access to our work, receiving exclusive newsletters, Letters from Voices for Children of Broward County's President & CEO, invitations to donor events, as well as other unique opportunities to meet Voices for Children of Broward County's program staff.
