of Broward County

Memorial and Tribute Gifts

You can honor a grandparent, a parent, a spouse, a loved one or someone else close to you by establishing a memorial or tribute gift for Voices for Children of Broward County. This special gift makes a lasting investment on the lives of our community's most vulnerable youth. You can fund a memorial or tribute gift with cash, appreciated securities, or tangible personal property.

If you're interested in learning about ways you can honor a loved one, please email info@voicesbroward.org or call (954) 367-9185.
